Where to return your application

You should return this to your local election office. If not provided above, contact information for your local election official can be found under "Find County Election Office" at https://mnvotes.gov/counties.

Options for returning absentee ballot applications

For federal, state or county elections, submit an absentee ballot application online at https://mnvotes.gov/absentee.
-OR- Paper absentee ballot applications may be returned by mail, fax or as a scanned attachment to an email.

When your ballot will be sent

Your absentee ballot materials will be sent to you at least 46 days before the election, (excluding town elections held in March where materials will be sent 30 days before the election). If you applied after this date, your ballot will be sent when the application is received. Contact your local election official if you have not received your ballot. To check the status of your absentee ballot, visit https://mnvotes.gov/ballottracker.

Privacy Notice

Your exact date of birth, email address, and any ID number you give (Minnesota driver's license, state ID or last four digits of social security number) are private. Only election officials may access it.

Election officials ask for your exact date of birth so they can match your application to your voter record. If you refuse to give your date of birth, you won't get an absentee ballot.

Election officials ask for your email so they can contact you about your application. Also, the Office of the Secretary of State may email you (or contact you another way) about voting and elections, or ask for public input. If you refuse to give an email address, you cannot apply for an absentee ballot online and you will need to apply with a paper application.

Election officials ask for an ID number to check that the person who is casting the ballot is the same person who applied for it. If you have an ID number but refuse to give it, your absentee ballot might get rejected, and you won't be able to check your absentee ballot status online.

The rest of the data on your application is public when used for elections, political activities or law enforcement purposes. If you need to keep your contact data private because of personal safety concerns, call 1-877-600-8683 to learn what you can do.

Who may apply for a ballot

Each person must apply for themselves. It is a felony to make a false statement in an application for an absentee ballot, to attempt to cast an illegal ballot, or to help anyone to cast an illegal ballot.

If you think you may not be registered to vote

If you are not registered at the legal residence address provided, you will be sent a voter registration application with your ballot materials.

Information for active-duty military and overseas voters

If you are applying for an absentee ballot because you or your family are active-duty military or because you will be overseas and/or outside of the territorial limits of the United States, do not use this application. You are entitled to special protections if you apply using the Federal Postcard Application. For more information and to apply online, go to https://mnvotes.gov/uocava.
